## I. RONDA SANT PERE

---

A classic “Vermuteria” that offers a great natural light and an impressive bar of more than 26ft. This room is perfect for Coffe Breaks, afternoon snacks and after office meetings. Can accommodate up to 100 guests. Do you need extra space for more guests? No worries! There is more space in “Trafalgar” room.

## 2. TRAFALGAR

---

Next to the first room and with an independent entrance you can find Trafalgar Room that has impressive 13ft windows that create a very pleasant, luminous and spacious atmosphere. It has several tables of 2 to 6 people and a wooden main table for 12 people. It is the perfect place for more private presentations, coffee breaks and after office meetings.

## 3. Mr Rafols office

If you want to organize an event where people feel at home but without having to wash the dishes, this is your space. The old offices of the hardware store and the office of Mr. Rafols, with an impressive centennial fireplace it becomes a totally private and cosy room where the essence of the old office is preserved, decorated carefully even in the small detail.

4. CLUB 61

---

The Club 61 is a restaurant inspired by a classic cocktail bar with a "speak easy" jazzy atmosphere; It is told that during the Civil War the Rafols family just to served clandestine meals in this basement. Their piano, their Red Velvet furniture, the modernist lamps and the impressive roof with Catalan architecture mixed to make this room the perfect venue to organize cocktail parties and big events.

## 5. THE UNDERGROUND

---

Going through the big red velvet curtains you'll find yourself in the old hardware shop an unexpected room with a dim red light, green walls and a long old mirror bar inspired by the universe of "David Lynch". The Underground is our clandestine room, the venue for alternative events and where you can enjoy yourself dancing and having some fun.
